## Chronicling California: A Primary Source Reader

Designed as a supplement to standard textbooks, *Chronicling California: A Primary Source Reader* uses a variety of primary source materials to introduce students to California history. Through maps, photographs, newspaper articles, census materials, and more, this reader examines the unique history of California and its significance today.

*Chronicling California* covers the history of California from its pre-contact indigenous peoples to the present. Topics include ethnic and cultural diversity; the environment; business and urban development; labor; politics; and the contested meanings of California. With its emphasis on primary sources, *Chronicling California* is an excellent choice for courses on California and the American West. It can also be used in general American history surveys and high school advanced placement courses as a tool for understanding the past.

**PAivi Hoikkala** earned her Ph.D. in history at Arizona State University, with a focus on Native American history and the history of women and the American West. She lectures in the History Department at California State Polytechnic University, Pomona. Her most recent publication, "Native American History and Culture," appeared in the *Oxford Encyclopedia of American Social History*.

**Eileen V. Wallis** completed her Ph.D. in history at the University of Utah. She teaches in the history department at California State Polytechnic University, Pomona, where she received a Provost's Teacher-Scholar Award for 2013-2014. Her research interests include California and the American West; the Progressive Era; public history; U.S. women's history; and agricultural and environmental history. Her published work includes *Earning Power: Women and Work in Los Angeles, 1880-1930*.

### From reader reviews:

#### **Gary Bloomfield:**

Reading a publication tends to be new life style on this era globalization. With studying you can get a lot of information that can give you benefit in your life. With book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire all their reader with their story as well as their experience. Not only situation that share in the guides. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors these days always try to improve their ability in writing, they also doing some investigation before they write with their book. One of them is this Chronicling California: A Primary Source Reader.

#### **Linda Christopher:**

The reason why? Because this Chronicling California: A Primary Source Reader is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will shock you with the secret the item inside. Reading this book beside it was fantastic author who all write the book in such remarkable way makes the content interior easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of rewards than the other book have got such as help improving your skill and your critical thinking means. So , still want to hold up having that book? If I were you I will go to the reserve store hurriedly.

#### **Wiley Wagner:**

Your reading 6th sense will not betray you, why because this Chronicling California: A Primary Source Reader publication written by well-known writer who really knows well how to make book that could be understand by anyone who read the book. Written in good manner for you, dripping every ideas and creating skill only for eliminate your personal hunger then you still skepticism Chronicling California: A Primary Source Reader as good book not simply by the cover but also through the content. This is one e-book that can break don't assess book by its cover, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your examining sixth sense already said so why you have to listening to one more sixth sense.

#### **Diana Johnson:**

That e-book can make you to feel relax. This particular book Chronicling California: A Primary Source Reader was colourful and of course has pictures on there. As we know that book Chronicling California: A Primary Source Reader has many kinds or variety. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and believe that you are the character on there. So , not at all of book are usually make you bored, any it offers you feel happy, fun and loosen up. Try to choose the best book for you and try to like reading in which.
