The Encyclopedia of Civil War Usage: An Illustrated Compendium of the Everyday Language of Soldiers and Civilians Webb B Garrison, Cheryl Garrison

There are few systematic guides to the language used by the generation that fought the American Civil War. In the 150 years since the great conflict, our language has changed, and as meanings have become obscure or lost, links with this vibrant past have dissolved and much of that which had meaning to our forefathers no longer has the same meaning to us.

What did it mean to cross the bar"? What did it mean ""to see the elephant"" or ""to go South"? Why did the armies have so-called ninety-day men and hundred-day men? What were soldiers supposed to do when their commander shouted, ""Let her go, Gallagher"? How did one ""pay tribute to Neptune"? What was a ""picket pin"? Could one make a passable meal of ""possum beer"" and ""secession bread"? How did one ""vibrate the lines, "" and why would anyone want to attempt such a maneuver?

To address this need, Webb Garrison has pored over his notes from more than thirty years of research and study to produce this dictionary and encyclopedia of words and phrases (including nicknames and slang) commonly used during the war. Where appropriate, examples and anecdotes are included to illustrate meanings. Often overlooked naval terms and esoteric formal and informal military expressions are addressed as well as short descriptions of oceangoing vessels and river craft.

More than 2,500 entries and 250 illustrations cover the terms, equipment, and organization of the three million soldiers who fought in the war.

Wilma Shay:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to

reach Chinese's country. So , this The Encyclopedia of Civil War Usage: An Illustrated Compendium of the Everyday Language of Soldiers and Civilians can make you really feel more interested to read.
