The Night Fire Lori Lukasewich

With the sun setting on the quiet neighbourhood and the lights aglow in the old fire hall, it's hard to imagine the noise and activity that wait just one alarm bell away. When that bell sounds, everyone leaps into action. There is a night fire blazing and people must be saved!

Now even the smallest firefighter can jump aboard the clanging fire engine and race to the rescue. Simple, rhythmic text gives ample opportunity for chiming in during bedtime readings.
